

## Library Computer Use Policy

- Computer and network resources in the Library are intended for Humber and University of Guelph-Humber students who are actively enrolled in classes as well as authorized faculty and staff.
- Due to resource constraints and security requirements, effective September 6<sup>th</sup>, community users will no longer be granted access to Library computers, printers or Humber's wireless infrastructure.
- Subject to computer availability, prospective students with OSAP related questions/inquiries and Humber Alumni may access select Library computers up to one hour per day.
  - Quick-use computers and the wireless infrastructure are not available to OSAP applicants or Humber Alumni.
  - OSAP applicants will be asked to show Library staff a piece of identification and complete a "Computer Use for non-Humber Users" form before accessing a computer.
  - Alumni will be asked to show their Humber Alumni card.
