Message from the Associate Director of Athletics

PETER MAYBURY

I welcome this opportunity to express a word of thanks to all the players, coaches and staff who contributed to the success of 1985-86 "Hawks." I would also like to acknowledge the support and interest of the students and community at large.

The 1985-86 season was highlighted by the winning of the Ontario Colleges Athletic Association's - Tier I Championship. The dramatic conclusion to the Hawks' excellent season occurred at the

Canadian Athletic Association's National Championships held in Kamloops, British Columbia. The Hawks lost a close game in the National final to the powerful N.A.I.T. Ooks from Alberta, finishing the year as the National Silver Medallists.

The Humber College Hawks are in a strong position to defend the Ontario Colleges Athletic Association title, as many players are returning. I know that the Hawks will prove themselves to the best of their abilities and that you, the spectators, will cheer their efforts.

Meet the Coaches...

Dana returns to the helm of the defending champion Humber Hawks for the 86-87 season. Coach Shutt posted a tremendous 35-5 record during the 85-86 season. In his first season as the head coach of the Hawks, Dana was selected as the O.C.A.A.'s Tier I Hockey "Coach of the Year." The Hawks and Coach Shutt seem to be a winning combination which augers well for the future success of Humber College hockey.

DANA SHUTT

John completed his second full season as the Assistant Coach of the Hawks this past year. John's knowledge and influence with last year's club was instrumental in the team's championship performance. Coach Cook's ability to recognize the little things that his players do on the ice and his ability to change bad habits has enabled the team to improve in very important areas.

Hawks in Flight

1986-87 Outlook

The 1986-87 season is shaping up to be one of the most exciting and competitive seasons in many years. In past years the Ontario Colleges Athletic Association (O.C.A.A.) league has been dominated by one or two teams. However, this trend is likely to change as all members have been striving to build their programs through active recruiting. Recruiting of players by colleges has contributed a great deal to the improved quality of college hockey. Presently, college and university teams are extremely competitive, therefore resulting in more exhibition games and tournament competitions between the two athletic associations.

The defending Ontario Champion Hawks will ice a large and fast skating group of players for the pending season. Led by many returning players, the Hawks will be in a strong position to fend off the advances of college opponents.

Besides playing a formidable league schedule, Humber will play a difficult exhibition and tournament series against some of the best college and university teams in the country.

Humber's expectations for the 1986-87 season is to win the O.C.A.A. Tier I Championship and to improve upon their 1985-86 Silver Medallists performance at the Canadian College Championships in March '87.

Message from the Associate Director of Athletics

PETER MAYBURY

I welcome this opportunity to express a word of thanks to all the players, coaches and staff who contributed to the success of 1986-87 "Hawks." I would also like to acknowledge the support and interest of the students and community at large.

The 1986-87 season was highlighted by the winning of a second consecutive Ontario Colleges Athletic Association's - Tier I Championship. The Hawks continued this trend as

they captured their second consecutive Silver Medal at the Canadian Athletic Association's National Championships held in Camrose, Alberta.

The Humber College Hawks are in a strong position to defend the Ontario Colleges Athletic Association title, as many players are returning. I know that the Hawks will prove themselves to the best of their abilities and that you, the spectators, will cheer their efforts.

Meet the Coach . . .

Dana returns to lead the Hawks for his third year as Head Coach. In his two years at the helm, he has guided Humber to back to back provincial championships. Also included in his first two years are two consecutive silver medal finishes at the National Championships. Fine coaching and tenacious recruiting are the main elements of Dana's success. Look for Dana and his Hawks to continue this success and hopefully add the elusive National Championship to the list of laurels.

Hawks in Flight

1987-88 Outlook

The 1987-88 season is shaping up to be one of the most exciting and competitive in many years. The league has grown to 7 teams with the addition of Sir Sandford Fleming-Lindsay, Algonquin and Sir Sandford Fleming-Peterborough. These additions, plus the continuing growth of all the teams in O.C.A.A. should guarantee a super brand of hockey.

Humber will be shooting for their third straight provincial (O.C.A.A.) championship. They will be led by a number of talented, returning players, including O.C.A.A. First Team All-Star and C.C.A.A. All Canadian Gerard Peltier. Captain Bill Fordy, a C.C.A.A. Tournament All Star, along with slick centre Mark Ethier and Blair McReynolds will also be returning.

The Hawks will play a formidable exhibition, league and tournament schedule. Included in the schedule will be games against the top college and university teams in the country.

Humber's hockey program has gained national respect with their back to back Canadian Silver Medal performances. This year the Hawks are looking to capture the third straight provincial crown, and their first ever Canadian College Championship.

Message from the Associate Director of Athletics

PETER MAYBURY

I welcome this opportunity to express a word of thanks to all the players, coaches and staff who contributed to the success of 1988-89 "Hawks." I would also like to acknowledge the support and interest of the students and community at large.

The 1987-88 season was highlighted by the winning of a third consecutive Ontario Colleges Athletic Association's - Division I Championship. The Hawks continued this trend as

they captured their second consecutive Bronze Medal at the Canadian Athletic Association's National Championships held in Levi-Lauzon, Quebec.

The Humber College Hawks are in a strong position to defend the Ontario Colleges Athletic Association title, as many players are returning. I know that the Hawks will prove themselves to the best of their abilities and that you, the spectators, will cheer their efforts.

Meet the Coaches...

Dana returns to lead the Hawks for his third year as Head Coach. In his three years at the helm, he has guided Humber to 3 consecutive provincial championships. Also included in his first three years are two Silver medal finishes and the Bronze at the National Championships. Fine coaching and tenacious recruiting are the main elements of Dana's success. Look for Dana and his Hawks to continue this success and hopefully add the elusive National Championship to the list of laurels.

DANA SHUTT – Head Coach

Gus is entering his first season with the Hawks. He is not a stranger to OCAA Hockey and he had coached the Georgian Grizzlies for the past four years. Gus is known as a good teacher, strategist and fine recruiter. His knowledge and input should help Coach Shutt and the Hawks to the top again this year.

GUS EYERS – Assistant Coach

Meet the Staff...

Gill is a first year Equine Studies student at Humber. She has worked with her High school team as a manager last year.

GILLIAN ROSS – Manager

Steve is a second year student in the Sport Therapy the program at Sheridan College. He worked with the Bramalea Blues Jr. B. Hockey Team last year.

STEVE McCOY – Therapist

Stacy is a first year Hotel and Restaurant student at Humber. She plays Rep. Hockey for Orangeville.

STACY DANA – Assistant Manager

Christina is a Marketing student at Humber. She will endeavour to get people out to check out this fine Humber squad.

1988-89 Outlook

The 1988-89 season is shaping up to be one of the most exciting and competitive in many years. The league has grown to eight teams with the addition of Canadore College of North Bay. This addition, plus the continuing growth of all the teams in O.C.A.A. should guarantee a super brand of hockey.

The 1987-88 Canadian College Bronze Medalists are set to go for their fourth straight Ontario title. They will be led by a number of talented, returning players including Big Ed Ljubicic, Bill Fordy, Paul Jackson and C.C.A.A. Tournament, all star goaltender Mike Noonan.

Coach Dana Shutt returns to the helm for his fourth term. Included in his first three seasons are three provincial championships, two Canadian silver medals and a bronze performance, a coach of the year award and a sparkling 104-24 won/loss record. Shutt will be assisted by former Georgian Grizzly head coach Gus Eysers.

The Hawks will play a formidable exhibition, league and tournament schedule. Included in the schedule will be games against the top college and university teams in the country.

Message From ... The Associate Director of Athletics

PETER MAYBURY

I welcome this opportunity to express a word of thanks to all of the players, coaches and staff who contributed to the success of the 1988-89 "Hawks". I would also like to acknowledge the support and interest of the students and community at large.

The 1988-89 season was highlighted by the winning of a record fourth consecutive Ontario Colleges Athletic Association's Division 1 Championship. The Hawks continued this trend as they captured their second consecutive Bronze Medal at the Canadian Colleges Athletic Association's National Championships held in Edmonton, Alberta.

The Humber College Hawks are in a strong position to defend the Ontario Colleges Athletic Association title, as many players are returning. I know that the Hawks will prove themselves to the best of their abilities and that you, the spectators, will cheer their efforts.

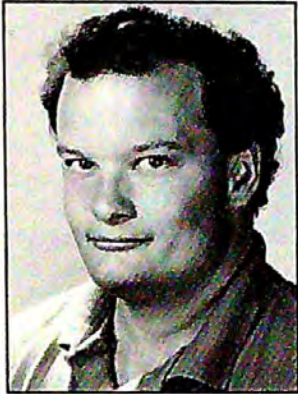

Meet The Co-ordinator

JIM BIALEK

Jim has worked with the Hawks for the past 10 years. His involvement ranges from public relations, to hiring part time staff and minor officials, to director of team operations. He is a full time staff member at Humber as he is the Recreational Activities Officer. Jim is also the Senior and Division 1 Convenor for OCAA Mens Hockey.

Meet The Coaches...

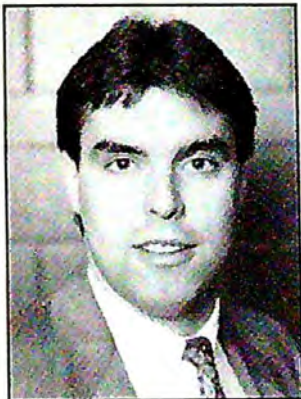

DANA SHUTT
Head Coach

Dana, the 1988-89 O.C.A.A. Men's Hockey "Coach Of The Year", returns to lead the Hawks for his fifth year. In his four years at the helm, he has guided Humber to four consecutive provincial championships. Also included in his first four years are two Silver Medal and two Bronze Medal performances at the National Championships. Fine coaching skills and tenacious recruiting are the main elements of Dana's success. Look for Dana and his Hawks to continue this success and hopefully add the elusive National Championship to the list of laurels.

Coaching Record:

Hawks In Flight 1989-90 Outlook

The 1989-90 Hawks will be hard pressed to outdue the accomplishments of last year's Hawk team. In a season that included 12 league team and individual OCAA records being broken, the Hawks had a perfect 24-0 regular season and yet another OCAA Title. The title, the fourth in a row, another record, was followed up with a Bronze Medal performance at the National Championships in Edmonton.

The task of winning a fifth consecutive title and a possible national title again will fall into the right hands. Coach Dana Shutt, last year's "OCAA Coach Of The Year" will return to the helm. At seasons end last year, Coach Shutt's all time coaching record stood at 110 wins and only 20 losses for a phenomenal .846 winning percentage. Shutt will be assisted by Dave Emerson, Gus Eyers and Rudy Won.

The Hawks have many players from last years championship squad coming back. This impressive list starts with the teams 88/89 MVP, OCAA Leading Scorer, All Canadian Paul Jackson. Another returning All Canadian and Humber's Male Athlete of the Year is Paul Stafford. OCAA All Stars Ron Lonsdale, Mike Noonan, Ken Rumble and Ed Ljubicic also return. First year sensations Gino Lostracco, Shawn Vaudry and Chip Crandall will be flying again as well. The Hawks will also unveil a bumper crop of recruits to compliment the returnees.

The Hawks will play a formidable exhibition, league and tournament schedule. Included in the schedule will be games against top college and university teams in Canada, and games against some top U.S. College squads.

Message From ... The Director of Athletics

DOUG FOX

Welcome to another exciting season of Humber "Hawks" Hockey. The past five seasons have been action packed and this season promises to bring more of the same.

The 1989/90 season was highlighted by the winning of an unprecedented fifth consecutive Ontario Colleges Athletics Association Men's Hockey Championship. The Hawks came within inches of winning the National Championship as they bowed out to NAIT from Alberta in a memorable series.

The Humber squad is in a strong position to defend their provincial title. I know that the Hawks will prove themselves to the best of their abilities and that you, the spectators, will cheer their efforts.

Meet The Co-ordinator

JIM BIALEK

Jim has been involved with the Humber College Varsity Hockey Club for the past 11 years. His "behind the scenes" efforts include public relations, recruitment and the day to day operations of the hockey club. He is the Assistant Athletic Director at Humber College. He has also held both the positions of Division/ and Senior Convenor for OCAA Mens Hockey.

Meet The Coaches...

NICK HARBURAK
Head Coach

Nick comes to Humber with an impressive record, both a player and as a coach. As a player he starred with the Pittsburgh Penguins, as he played 7 years in the NHL. His coaching career includes the Head Coaching post at Seneca College where he won 3 OCAA titles, finished first 5 times and was OCAA coach of the year. Look for Nick and the Hawks to keep winning hockey at Humber, where it belongs.

ROB CAMPBELL
Assistant Coach

Rob comes to Humber via the Bramalea Blues Jr. B Hockey Club. He was involved with all aspects of the program at Bramalea. His coaching skills and knowledge of the game should help the Hawks to the top again.

Meet The Staff

GORD HAMILTON

Hawks In Flight 1990-91 Outlook

The 1990-91 Hawks, winners of five consecutive provincial championships, will attempt to build on this record. To accomplish this feat they will be doing it with a new cast of characters.

Nick Harburak will replace Dana Shutt in the head coaching position. Nick, a former NHL'er brings with him a wealth of experience. Not only has he played in the pro's, he also has a great deal of coaching experience. He coached Seneca to 5 firstplace finishes and 3 provincial titles in the late 70's, early 80's. Nick will be assisted by Rob Campbell, formerly with the Bramalea Blues Jr. B organization.

The Hawks don't have a large base of returning players, but the ones returning are blue chippers. Captain Shawn Vaudry, Bob Emmell, Jim Way, Rick Hay and Ange Guzzo have been winners and will try and lead the new Hawks to victory.

The Hawks will play a formidable exhibition, league and tournament schedule. Included in the schedule will be games against top college and university teams in Canada, and games against some U.S. College squads.
