TRANSFER
PROGRAMS**

WE ARE

HUMBER

Are you interested

in furthering your education at the diploma or degree level?

We offer two different transfer programs.

Spend your next year at Humber Orangeville enrolled in the G.A.S. Program (General Arts and Science). Ideal for newly graduated high school students who wish to live local and explore their career path at a small campus that is friendly and supportive.

- **College Transfer** (1 year certificate), for students interested in diploma studies at Humber, in a wide variety of programs.*
- **University Transfer** (1 year certificate), for students interested in degree studies, either at Humber or at select universities,** in Liberal Arts, Humanities or Social Sciences*

* Program pre-requisites, with the exception of Grade 12 English, still apply. Many prerequisites can be met by taking a course at an adult high school or independent learning centre.

** See the Humber College Transfer Guide at humber.ca/transferoptions/transfer-options-program.

WE ARE
HUMBER

Why Choose Humber?

You will learn from faculty with experience and contacts throughout Toronto and the world, giving you an advantage when it comes to beginning your career.

Industry partners include licensed child-care centres, EarlyON Centres, home-based child-care agencies, local school boards and related community organizations and services across the Greater Toronto Area.

Humber students have the unique opportunity to gain real-world, career-specific skills while on campus in our Child Development Centre. Here, students engage and interact with children from infancy to school-age, gaining valuable skills that ECE employers are looking for in potential candidates.

Humber provides ECE students with opportunities for hands-on, collaborative learning. Our graduates are prepared to enter the field and become a force for change in Early Childhood Education.
